Dear Editor,

The vital role a father plays in the successful upbringing of children is apparent now more than ever. The father is the supporter and protector of his family, and he acts as a stabilizing force between mother and children. Only by God's grace can fathers truly live out their vocation to the fullest.

Edited by Jeff Cavins, Matthew Pinto, and Mark & Patti Armstrong, *Amazing Grace for Fathers*, the fifth installment of the best-selling *Amazing Grace* Series, is sure to have a profound impact on anyone who reads its life-altering stories.

In these difficult times, it is easy for people of faith to focus on scandals and negative trends within the Church. This book will not only rejuvenate the faith of its readers, but will also inspire them to share the love and beauty of God's grace with everyone around them. God has blessed fathers in an extraordinary way, as the powerful stories contained in *Amazing Grace for Fathers* make clear.

Please consider coverage of this book as part of a feature article on the *Amazing Grace* series or as a book review. We'd be happy to assist in arranging a guest appearance or interview with a story contributor or editor.

Feel free to contact me with any questions you may have.

Sincerely,

Christopher Cope

A Celebration of Fatherhood

Amazing Grace for Fathers

Edited by Jeff Cavins, Matthew Pinto, Mark and Patti Armstrong

WEST CHESTER, Pa.-Monday, September 18, 2006- Ascension Press announced today the release of *Amazing Grace for Fathers*, the fifth book in the best-selling *Amazing Grace* series.

This powerful collection of 75 real-life stories is a testament to the redeeming power of God's grace. "These stories show that anything is possible to overcome with God's grace," said Jeff Cavins, co-editor of the *Amazing Grace* series. "The power of fatherhood is an awesome gift from God. When strengthened by His grace, men can truly fulfill their vocation as husbands and fathers."

This much-anticipated book demonstrates how God's grace can work in the lives of "ordinary" fathers and their families. Inside, readers will be amazed by stories such as:

- A father who survives the horror of the 9/11 attack on the World Trade Center only to face and overcome a serious family illness.
- A young boy suffering intense pain who finds peace and comfort in the hands of his father
- A father who provides a birthday present for his little girl after his death through a series of divine "coincidences."
- A young man who heroically saves the life of another because of the wisdom handed down to him by his father.

Amazing Grace for Fathers is available now at bookstores nationwide.
