

# T3 | THE TEEN TIMELINE

T3 is intentional in its layout and systematic in its communication of the Scriptures. Its unique approach—coupled with an engaging DVD video presentation and interactive workbook materials—insures that your teens’ experience of the Bible will be anything but ordinary.

Recorded live before a studio audience of Catholic teens and young adults, the T3 DVDs are packed with relevant insights for young believers who are immersed in a culture of relativism and desperately in need of God’s truth.

## How is T3 Implemented?

T3 can be used in any Catholic high school, youth group, or religious education setting. T3 can be used as a “stand alone” program or in conjunction with your current Bible study curriculum, in 8, 16, or 24 sessions.

Whether your leaders are seasoned scholars of the Bible or just good-hearted Bible “rookies,” T3 will give them the foundation they need to walk with your teens on the Great Adventure of the Bible.

## T3: The Teen Timeline Makes the Bible Come Alive for Teens

WEST CHESTER, PA, January 5, 2008—Ascension Press, publisher of the best-selling Bible study system *The Great Adventure*, announces the release *T3 Matthew: Thy Kingdom Come*, the much anticipated follow-up to *T3: The Teen Timeline*, by Mark Hart.

*Thy Kingdom Come* covers the Gospel of Matthew in 8-parts, giving teens a guided journey from the infancy of Christ, through his public ministry, to his ultimate sacrifice on Calvary and his commission of the Church. Seeing the roots of the sacraments and the Catholic Church in the Gospel provides teens with an entirely new outlook of their faith. This along with the dynamic presentation by Mark Hart makes *Thy Kingdom Come* an ideal Bible study for teens.

"Teens in our parish are on fire because of *The Teen Timeline*." Says Mindy Strom, of St. Francis Xavier Church in Sartell, Minnesota. "It has inspired our youth to attend Mass regularly and get excited about their Faith. Mark Hart is incredible! He brings the Bible to the teens' level and helps relate it to their lives today – letting them know it is their story. As one who ministers in the parish, I have grown so much with this series, and it has been incredible to see everyone involved become more passionate about their faith. Try it and see how God will work in your parish."

Based on *The Great Adventure Bible Timeline* series, *T3* utilizes the narrative thread of the Bible to present the story of Scripture. By following this story of salvation, teens get into the Word of God, and begin to realize and understand that they too are a part of God's plan for salvation. Having this understanding makes Bible study more exciting and relevant for everyone, especially teens who yearn to be a part of something important.

"As Catholics our whole Mass is Scriptural, our whole life is Scriptural, but what often happens is, we learn the Bible in pieces, but we never put those pieces together. "Once we connect all the people, places and events as a complete story, teens begin to understand the Bible, and it will begin to come alive for them." Says Mark Hart, presenter of the *T3* Bible study programs.

The *T3* Bible study program consists of *T3: The Teen Timeline* and *T3 Matthew: Thy Kingdom Come*. Both programs include a DVD lecture series featuring dynamic teen presenter, Mark Hart, a Study Kit, and Leader's Guide. *The Teen Timeline* DVDs cover the story of the Bible in 8 parts from the Genesis, through the coming of Christ and the establishment and spread of His Church. *T3 Matthew: Thy Kingdom Come* covers the Gospel of Matthew in 8 parts. The cornerstone of The Teen Timeline program is the *T3 Bible Timeline* Chart, which is included in the Study Kit. The Chart arranges the 73 books of the Bible around the 14 narrative books. Using this narrative thread as a guide to the entire Bible makes it easier to learn and understand. With *T3*, all of the people, places and events of salvation history begin to come together and make sense for teens.
